The Honorable E. C. Gathings
House of Representatives
Washington, D.C.

Dear Sir:

Thank you very much for your interest in numismatics and National Coin Week. Your introduction of H.J. Resolution 175 has assisted greatly in furthering our hobby. We only hope that the resolution will be approved. The fact that it may not be passed in time for the proclamation this year is somewhat disheartening, but the important thing to us is that it be passed so that in future years the proclamation may be issued.

Enclosed is a token of our thanks for your aid in promoting our hobby and National Coin Week.

Yours truly,

Rick & Virginia Bronson
